This image shows step 403 of a LEGO Technic build. The scene features a large area of green Technic bricks representing a forest, interspersed with small green trees. To the left, there's a city-like structure with grey and white buildings. A blue body of water is visible on the right. A small boat with a red sail is on the water. A red circle highlights a specific part of the build, and a red arrow points to a new piece to be added. A list of parts to be added is shown in the top left corner: 1x, 1x, 2x, 1x, 1x, and 3x.

This image shows a detailed LEGO Technic landscape assembly. The scene is built on a black baseplate and features a variety of elements: a city with dark grey and black buildings on the left; a large forest of green trees in the center; a body of water with blue tiles on the right; and a mountain range with grey and brown tiles in the background. A small white boat with a red and white figure is on the water. The assembly is surrounded by a black border. A list of parts is provided in the top left corner.
